GEORGE WILLIAMS COLLEGE 1956

EMBERS

IN MEMORIUM

GUY L. SCHUYTEMA, Dean of Students

Friend, advisor, fellow faculty member, loyal worker, and true Christian. His kindness, humility, sincerity, and devotion to task will ever be remembered. His loyal and sacrificial service to George Williams College and the things it stands for will live in the hearts of those who knew him and loved him.

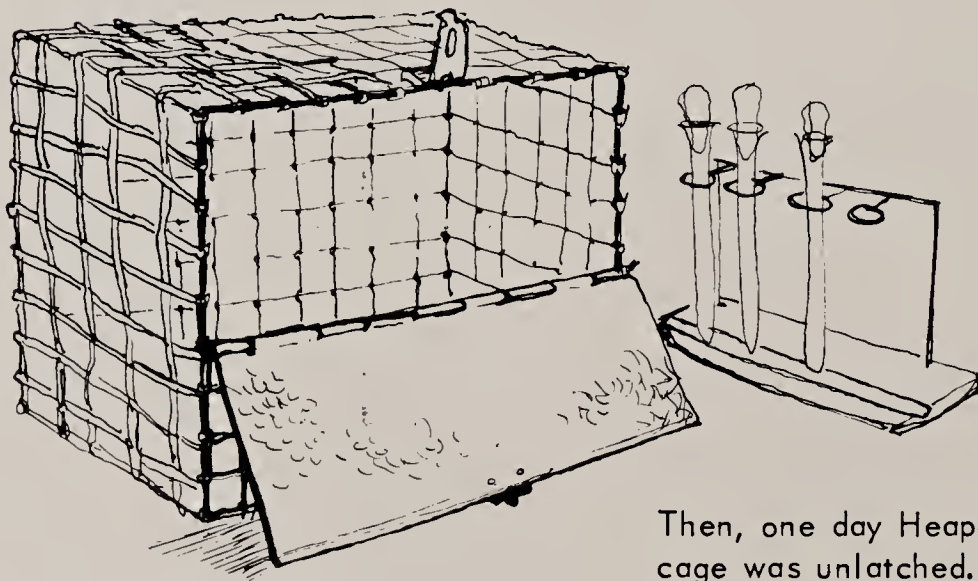

Once upon a time, in a somber laboratory, a woeful white rat was held prisoner in a strong, wire cage.

The rat had been named for a famous Indian chieftain, a courageous mascot of George Williams College in the good old days, and on his head he wore the bonnet of the All-College Tribe.

Heap-Big-Cheese-Hunter's adventurous spirit fretted at his narrow confines and deplored the limited range of his vision.

His only excitement came with the chattering students and the ringing of bells. All too soon the bells rang and the noisy students left him alone in his wiry cage.

Where did they go? If he could only follow those animated people!

Then, one day Heap-Big-Cheese-Hunter noticed that his cage was unlatched. This was his big chance! He threw himself against the door, dropped to the floor, and scurried from the lab, into a tiny room nearby

Arthur H. Steinhaus, Professor of Physiology, Dean of the College, and Director of the Division of Health and Physical Education; John R. McCurdy, President; Channing M. Briggs, Associate Professor of Sociology and Group Work, and Director of the Division of Group Work and Recreation.

FACULTY AND ADMINISTRATION

Heap-Big-Cheese-Hunter climbed up on a desk, looked around and right in front of him were some very distinguished persons!

He turned and ran down a flight of stairs. At every turn he met other notable persons.....

KAPPA RHO DELTA

The Intranos Club became Kappa Rho Delta Fraternity during Pledge Week in January. Formal inductions were held and the Fraternity immediately held formal elections. The members of KPD and the elected officers are as follows: John Goodwin, President, George Mathis, Vice President, David Miller, Secretary, Ronald Goetsch, Treasurer, Colin Campbell, IFC Representative, Dr. Karl Zerfoss, Faculty Advisor.

For those who are not familiar with Kappa Rho Delta, it is interesting to note that they are the youngest fraternity on the campus, having been started in 1949.

The purpose of this fraternity is to provide its members with a means of satisfying their athletic and social needs, which are best met through cooperative self-expression and united effort, to furnish the opportunity for close fellowship among its members, to encourage members to develop brighter cultural values for our mutual betterment, and to render service to others.

George Williams College faced the 1955-56 season with an inexperienced ball team, and a new coach, Jack Claypoole. The Indians won their first two starts before losing a close game to LaGrange Junior College, 66-59, in the home opener. The CWC cagers, led by Captain Jim Davis, the team's top scorer, rebounded from defeat to beat the University of

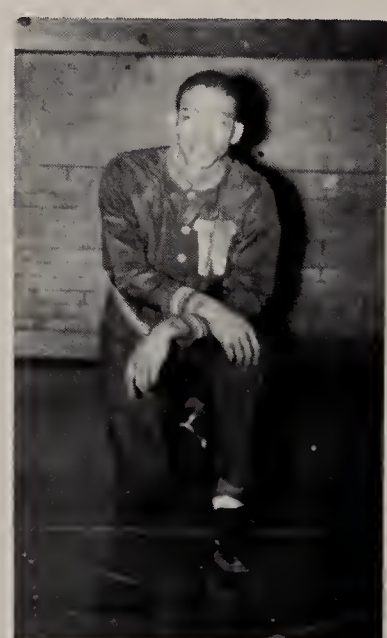

Illinois Professional College, 87-62. The Indians dropped both their games with the University of Chicago and the University of Illinois Navy Pier and ended the season with a record of six wins and eight losses, having taken an overtime victory at the hands of the U. of I. Professional College and beating Roosevelt University and North Chicago Teacher's College.
